**Listening via Headphones or
While Driving**

The average VO BOSS listener is a working, professional voice actor or aspiring voiceover talent, each dedicated to improving and bettering themselves as competitive and relevant in today's rapidly-changing marketplace.

**YOUR TARGET
AUDIENCE =**
Our Listeners

Our audience tunes in regularly for info on how to improve their business acumen and market themselves to clients, while our stats depict a listener base that's both willing and able to invest in the upward mobility of their careers.

As our podcast isn't an acting or performance-based platform, we know that our listeners are primed for those offering business solutions and products that will improve their position within the industry.

About the Host

Anne Ganguzza

Anne's a full-time voice talent, coach, and producer with years of experience in public speaking and education. On the VO BOSS podcast, she interviews top industry leaders and knows exactly which questions to ask...
